**NAVARRO COLLEGE  
EXECUTIVE BUDGET SUMMARY  
2018-19**

The 2018-19 Navarro College budget funds programs and services consistent with the District's Priorities, Goals and Mission. The budget was compiled through a process that included mirroring the 2017-18 mid-year budget with adjustments for increases in tuition and fees, expanded health profession programs, and the reallocation of costs to meet the initiatives of the college

There were a number of factors that created challenges in preparing a balanced budget for 2018-2019. The following provides a summary of these challenges:

1. Continued commitment to developing a budget that does not use the fund balance to support on-going operations.
2. The need to respond to the state-wide trend of enrollment decline due to a healthy economy.
3. An increase in dual credit students as well as more competition from other colleges and universities to offer these classes to these students
4. New initiatives requiring funding such as expanding the health professions in Ellis County, and new career and tech programs such as the Quick Careers district wide.
5. Funding for deferred maintenance.

State appropriations for community colleges in Texas were reduced again for FY17-18 and FY18-19. At Navarro College, this reduction was \$1,190,150 per year. The budgeting process for FY19, for the most part, mirrors the FY18 mid-year budget with adjustments made for increases in tuition and fees, decreased enrollment, new continuing education revenue, and the expansion of the Ellis County health professions. A three percent (3%) salary increase for employees is also included in the budget.

Table I displays a comparison of the 2018-19 budget with the prior year's budget, 2017-18 adjusted at mid-year. As noted, the College District experienced a decline in student enrollment during the past few years. The Strategic Enrollment Management Committee has been tasked with developing and implementing strategic initiatives to increase student enrollment and completion.

Table 1

<b>Fund</b>	<b>2017-18 Mid-Year Budget</b>	<b>Proposed 2018-19 Budget</b>
Educational and General	\$ 45,325,562	\$ 46,856,460
Revenue Bonds/Interest	\$ 2,236,106	\$ 2,237,426
Plant Fund	\$ 395,009	\$ 0
Auxiliary Fund	\$ 10,949,673	\$ 11,189,544
Financial Aid (Scholarships, Grants, Loans, Work Study)	\$ 30,929,490	\$ 31,000,460
<b>Total Projected Revenue</b>	<b>\$ 89,835,840</b>	<b>\$ 91,283,890</b>

The Educational and General Fund, including grants and contracts, is expected to experience an increase due to the increase in tuition and fees. The Debt Service Fund includes all revenue bond payment requirements, and increases by \$1,320 from 2017-18 as per the bond repayment schedule. There are no anticipated projects in the Plant Fund for 2018-19. Because of the increase in tuition and fees, scholarships given by Navarro for tuition and fees scholarships increased slightly in the Financial Aid Fund for 2018-19.

***Educational and General Fund Revenue***

The Educational and General Fund is the most significant fund in the college budget, representing 51.33% of the total revenue and expenditures. The major sources of revenue for the Educational and General Fund include:

- Student Income (Tuition & Fees)
- Local Appropriations (Tax Assessments)
- State Appropriations
- Federal Grants/Contracts
- Other Sources

***Student Income***

Student income from tuition and fees represents 50.20% of the Educational and General Fund revenues. The 2018-19 budget projects student income at \$23,524,170, an increase of \$1,691,001 from revenues budgeted at 2017-18 mid-year. Major components of this increase are \$457,384 for tuition and fees; \$266,592 for the expanded health professions in Ellis County; \$344,680 for a new Allied Health Fee; and \$55,000 for increased continuing education tuition and fees.

### ***State Appropriation***

The District will earn 34.08% of its total E&G budget from State appropriations based on student enrollment data submitted to the State of Texas. The appropriated amount (in the second year of the biennium) that the College District will receive in 2018-19 is \$15,968,463. This funding methodology provides a base amount for each of the fifty community college districts for core operations (\$680,406), student success points (Performance-Based Funding) (\$1,385,374), and contact hour funding (\$11,986,590). In addition, it is anticipated the College District will receive \$1,791,093 (an increase of \$78,008 over last year) to offset the increased rates for Group Health Insurance and \$125,000 for the Optional Retirement Program. State grants, such as Texas Work Study, Adult Education, Nursing Shortage, Texas Workforce Commission Skills Development, and Small Business Development Center, will also generate \$875,601. This brings the total amount in State-appropriated funds for the College District to \$16,844,064

### ***Local Appropriations***

The **Preliminary** Appraisal Values at April 25, 2018 of the District, provided by the Navarro County Central Appraisal District, reflect taxable property values at \$3,454,990,271 an increase of \$221,983,825 compared to the previous year at \$3,233,006,446. The current tax rate is \$0.1218 per \$100 of assessed valuation. Because the college expects several protests to occur before Certified Appraisal Values are received on July 25, 2018, taxes are budgeted at \$3,929,074, and increase of \$266,898 from the FY 2018 budgeted amount of \$3,662,176. The budgeted local appropriations represent 8.39% of the Educational and General budget and 4.3% of the District's total budget. The rollback rate of \$.1218 per \$100 of assessed valuation calculated FY 2019 could change depending on certified values received in July 2018 and the new calculation of the rollback rate.

### ***Federal Grants***

Federal grants are projected to provide \$2,027,352, reflecting a decrease of \$226,675 from the 2017-18 mid-year budget. The Carl Perkins and Trio Program have increases by \$12,459 and \$2,217 respectively. Adult Education, Small Business Development Center (SBDC), and Indirect Cost Income decreases by \$66,780, \$44,571, and \$130,000. Additional grant funds will be added to the budget throughout the academic year (2018-19) as a result of budget changes in existing grants and new grants the College may receive during the year.

### ***Sales and Services***

Sales and Services revenues are budgeted at \$54,200. These revenue streams accrue from event ticket sales, summer camps, student orientation, massage therapy and cosmetology services, and museum and planetarium admission ticket sales. Revenue from the Massage Therapy and Cosmetology programs will be recognized at the time it is received during the year.

### ***Other Sources***

Other sources, budgeted at \$417,600 includes program testing fees, interest income, facility rentals, and other miscellaneous items.

### ***Educational and General Fund Expenditures***

The Educational and General Fund budget includes \$20,000 of budgeted funds to conduct an election for three Board of Trustee positions in May 2019.

Health Professions (LVN Bridge) were expanded by budgeting an additional \$454,720. Deferred Maintenance is budgeted at \$200,000 for maintenance needs of the college's facilities throughout the District.

Navarro College has difficulty attracting adjunct instructors each semester, so \$427,000 was budgeted to increase the current rate of \$533 per credit hour to \$600 per credit hour (example: pay for a three hour course will change from \$1,600 to \$1,800).

Transfers from the Educational and General Fund include \$2,237,426 for Debt Service, and \$561,000 for the Texas Public Education Grant (TPEG) set aside to the Scholarship Fund. Transfers to the Auxiliary Fund include \$1,252,818 for athletic scholarships and \$160,276 for student activities.

### ***Debt Service Fund***

For fiscal year 2019, a total of \$2,237,426 will be required to service the principal and interest due on existing revenue bond covenants. The payment of revenue bonds is funded primarily through a building use fee assessed to all students. During fiscal year 2019, the College District projects approximately \$4,091,800 in building use fee revenues. Excess funds are budgeted in the Educational and General Fund to support on-going operations.

### ***Plant Fund***

There are no construction projects budgeted for 2018-19.

### ***Auxiliary Enterprises Fund***

Navarro College operates and manages an extensive and profitable Auxiliary Enterprise Program. The projected revenue from auxiliary services in 2018-19 is approximately \$11,189,544. The revenue budgets for the individual auxiliary enterprise services are as follows:

Bookstore	\$5,011,900
Beautique/Starbucks	\$193,000
Dining Services	\$2,335,500
Student Housing/Activities	\$2,197,500

These auxiliary funds are used primarily for the operation and maintenance of the residence halls, dining services, the College bookstores and the Intercollegiate Athletic Program.

The College District maintains a successful Intercollegiate Athletic Program. The cost of intercollegiate athletics is projected at \$2,613,420. The \$1,252,818 from the Educational and General Fund, specifically student income, is allocated to the Intercollegiate Athletic Program to assist in funding athletic scholarships.

The goal of the administration is to operate each Auxiliary Enterprise as a profitable cost enterprise. Audited financial reports from previous fiscal years attest to the profitability of these operations.

***Student Financial Aid Fund***

The Student Financial Aid Fund (33.96%) represents the College District's second largest fund. Although student enrollment has decreased during the past few years, and in spite of congressional changes enacted at the federal level affecting PELL Grant awards and the student loan program, the financial aid fund remains strong. All student financial aid is fully automated and may be accessed on the Internet. Funds are electronically transferred from the student account to the College account when the student registers for classes, incurs a purchase for textbooks, remits payment for on-campus housing, and/or purchases meals in dining services.

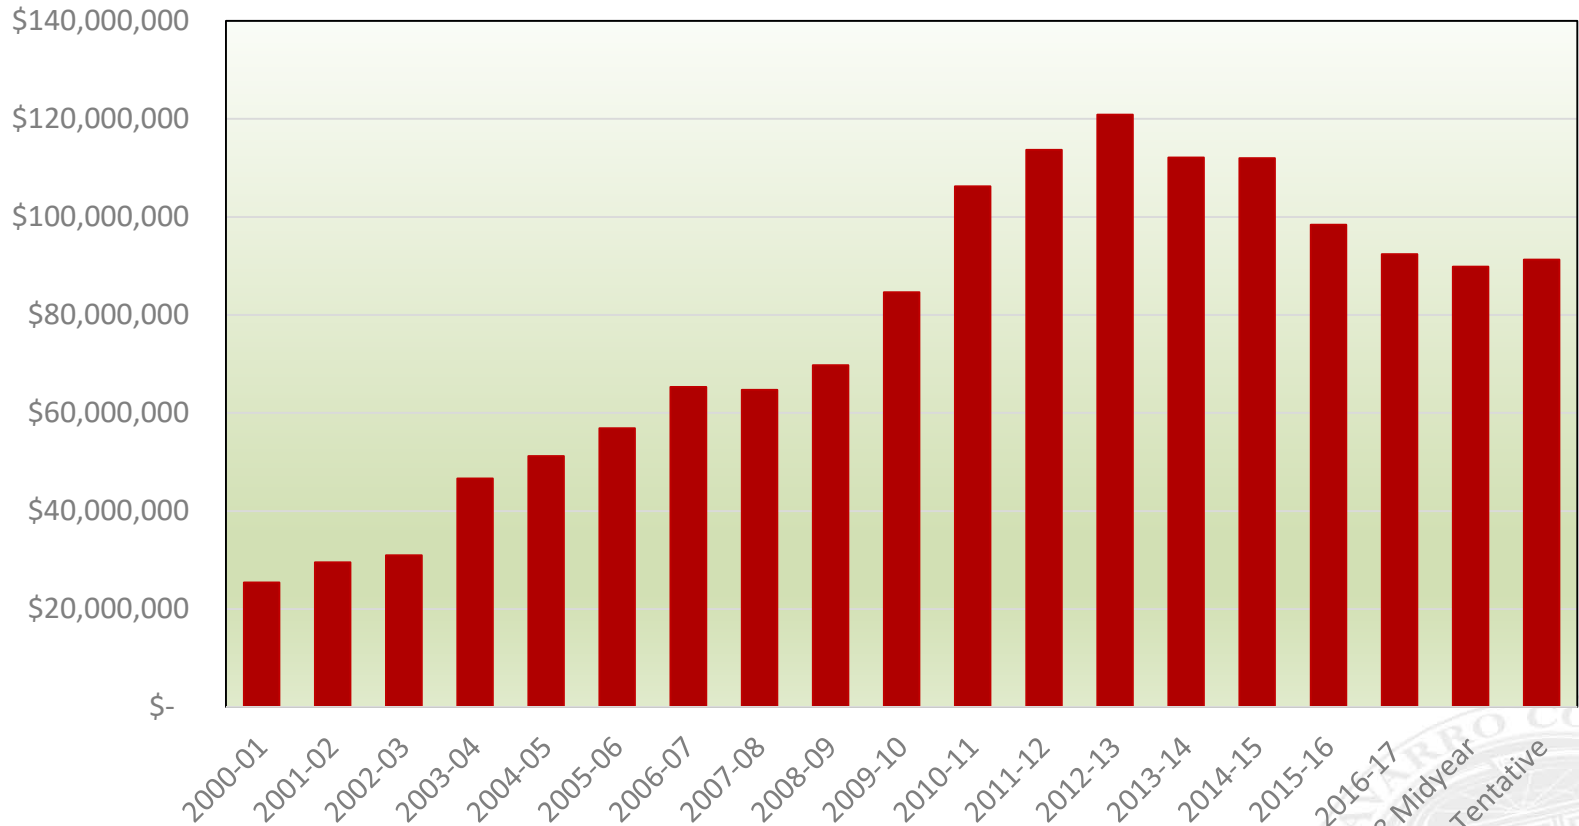

With the exception of scholarship funds, all financial aid programs are funded by the federal and state governments.

***Summary***

This balanced budget provides funding for growth and services consistent with the District's Priorities and the District President's Goals and Strategies without the use of the existing fund balance. While this is a "lean" budget, we look forward with confidence and enthusiasm to the ensuing academic year 2018-19 and to the challenges the new academic year may bring.
